

Quinta do Escudial DOC Dão Rosé

Harvest 2019

Region Dão

Varieties Touriga Nacional 50%
Alfrocheiro 50%

Vinification

The 2019 vintage proved to be an excellent year for rosé wines, with healthy and very balanced grapes.

The grapes were harvested manually, following a rigorous selection process. This wine comes from a blend from two grape varieties.

A minimalist approach in the winery where direct pressing of the grapes was carried out, controlled fermentation and a 4-month stage on fine lees.

Technical Analysis

Álcool 12,8%; pH 3,44; TA 5,54g/L

Color

Pale pink with salmon tint.
